BIA & Internal Affairs

Corruption is PROHIBITED!

Corruption violates both LSPD values and Hydrate Roleplay rules. Officers must uphold honesty, fairness, and professionalism. Bribery, abuse of power, falsifying evidence, or any unethical conduct is strictly prohibited.

BIA & Internal Affairs

The Internal Affairs Division investigates misconduct within the police force. Reports can be filed by officers or the public.

The Bureau of Integrity and Accountability (BIA) is an external agency that handles complaints of government corruption, including LSPD, EMS, and DoJ. Reports can also be submitted by both staff of departments and civilians.

Report any suspected corrupt activities by fellow members of the force to the BIA immediately. A receptionist at the FIB Building (PC: 398) will take your complaints.

All reports will be handled with confidentiality and professionalism to ensure that the integrity of our police force is maintained.
